1040-INDIVIDUAL TAX RETURN ENGAGEMENT LETTER

SUBJECT: Preparation of Your 2023 Individual Income Tax Returns

Dear Client:

Thank you for selecting Boal & Associates PC to assist you with your tax affairs. This letter confirms the terms of our engagement with you and the nature and extent of services we will provide.

We will prepare your 2023 federal and all state income tax returns that you request using information you provide to us. We may ask for clarification of some items, but we will not audit or otherwise verify the data you submit. We've enclosed an "Organizer" to help you gather the information required for a complete return. If you use the Organizer, it will help you avoid overlooking important information and contribute to efficient preparation of your returns. That helps keep the cost of our services as low as possible.

It is your responsibility to provide information required for preparation of complete and accurate returns. You should keep all documents, canceled checks and other data that support your reported income and deductions. They may be necessary to prove accuracy and completeness of the returns to a taxing authority. You are responsible for the returns, so you should review them carefully before you sign them.

Our work will not include any procedures to discover defalcations or other irregularities. The only accounting or analysis work we will do is that which is necessary for preparing your income tax returns.

We must use our judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. In order to avoid penalties, we will apply the "more likely than not" reliance standard to resolve such issues. You agree to honor our decisions regarding the need to make protective disclosures in your return. Penalties of as much as \$100,000 can be imposed on you for failing to disclose participation in "reportable transactions," that is, certain arrangements the IRS has identified as potentially abusive. We will insist that all such transactions be properly disclosed.

The law also imposes penalties when taxpayers understate their tax liability. If you have concerns about such penalties, please call us.

In regard to the Safe Harbor requirements for the Qualified Business Income (QBI) deduction for rental properties, for tax years beginning after 2018, contemporaneous records MUST be maintained. Taxpayers must keep contemporaneous records, including time reports, logs, or similar documents regarding the following: hours of all services

performed, description of all services performed, dates on which such services were performed, and who performed the services.

Your returns may be selected for audit by a taxing authority. Any proposed adjustments are subject to appeal. In the event of a tax examination, we can arrange to be available to represent you. Such representation will be a separate engagement for which an engagement letter will be provided to you. Fees and expenses for defending the returns will be invoiced in accordance with terms we agree on for that engagement.

Our fee for preparation of your tax returns will be based on the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation. To the extent permitted by state law, an interest charge of 1.5% per month may be added to all accounts not paid within thirty (30) days.

We will retain copies of records you supplied to us along with our work papers for your engagement for a period of seven years. After seven years, our work papers and engagement files will be destroyed. All of your original records will be returned to you at the end of this engagement. You should keep the original records in secure storage.

We understand that it is your company's policy to capitalize assets that cost \$2,500 or more. All capitalized assets will be depreciated in accordance with the company's depreciation policy. Assets that cost less than \$2,500 will be expenses in the period purchased. Amounts paid for assets with an estimated useful life of 12 months or less with a value of less than \$2,500 are expensed in the period purchased as well. Management will periodically review these levels and make modifications as necessary.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, please sign the enclosed copy of this letter in the space indicated and return it to us in the envelope provided.

We appreciate your confidence in us. Please call if you have questions.

Sincerely,
Boal & Associates PC

(Both spouses must sign for preparation of joint returns)
